Setting Gold Standard

Export Import information is not a standard factory produced and controlled product like a TV. The raw data can be sourced from authentic sources as well as from multiple unorganized fly by night operators, who are dubious, inconsistent and unprofessional with scan regard to the integrity of information provided. Impex Global has become a Gold Standard in field of export import information since the last 25 years ; our reports are cited in courts of law, used by worlds leading market research companies, Government export promotion councils, Industry associations and over 25,000 corporate and exports importers world over.

100% Authentic

We always come across multiple versions of truth, and it be comes very difficult & confusing to take major strategic decisions. Impex Global completely understands and respects this space and we use authentic sources and information provided under goes rigorous cross checks to deliver 100% authentic information.

Secure.

Trusted.

Ease to Use.

Intuitive UI.

Commitment - Our Mission

Our company is based on a strong value system. We are committed to building relationships based on integrity and trust. We will go extra mile to earn the right to be a partner of choice to the leading businesses.

Our mission is to bridge the information gap in export import competitive intelligence and emerge as a centre of professional excellence by value driven management.

IMPEX GLOBAL

A LINK BETWEEN TRADES

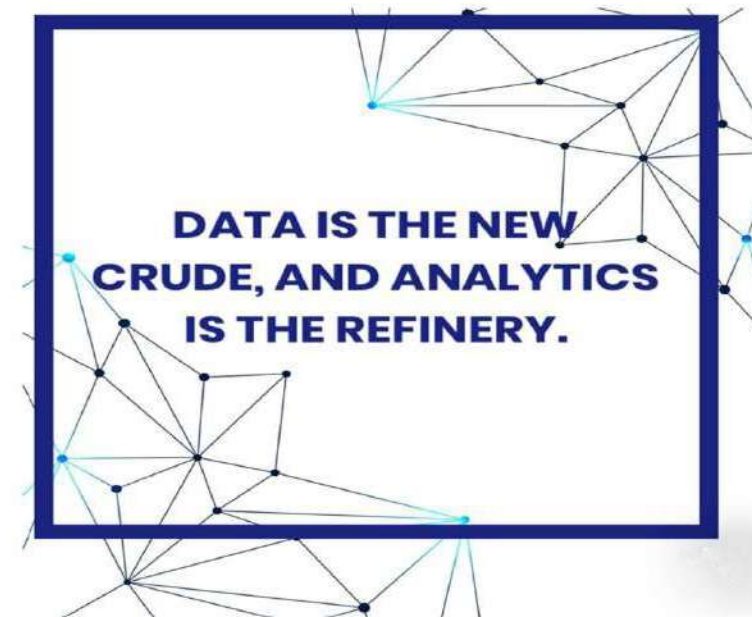

YOUR BUSINESS COMPANION.

15,000 Clients 10+ Countries

Prompted by a huge nagging gap of information and obsolete methods of dissemination of information in the field of foreign trade information and laws. Mr. Sunil Sharma, an Exporter turned IT professional launched Impex Global in 2015. Instantly, Impex Global created many firsts to its credit and emerged as a Pioneer.
